ATTACHMENT A

2021 GEARY COUNTY DUTY JUDGE ASSIGNMENT

Whereas it has been determined that it is appropriate to have an on call or "Duty Judge" schedule for the convenience of the judges, attorneys, court staff, law enforcement personnel, and residents of Geary County, the schedule contained herein and identified as "2021 Geary County Duty Judge Schedule" is hereby adopted by the Judges of the Eighth Judicial District.

The schedule for Duty Judge will be made available to law enforcement, court staff, and attorneys regularly practicing in Geary County District Court. Those persons needing to contact a judge before or after regular court business hours shall make all reasonable efforts to present their matter to the Duty Judge before contacting any other judge. (This order does not affect current policies requiring Law Enforcement Officers to contact the County Attorney before attempting to contact a judge.)

On those weeks assigned to them as Duty Judge, judges shall be "on call" and generally available to law enforcement and others who might be attempting to contact them as Duty Judge, and shall make reasonable efforts to allow their whereabouts to be easily determined. If the Chief Judge determines that it is necessary, a paging system may be purchased and utilized to give Judges mobility and still allow contact by persons needing the Duty Judge.

The Judges of Geary County District Court shall have the ability to alter the schedule for Duty Judge and "trade" coverage by mutual agreement of the judge having responsibility for the effected day or week, and another Geary County District Court Judge

willing to take responsibility for the same. The judge having responsibility for a given week pursuant to the schedule for Duty Judge shall make court staff and the Geary County Sheriff's Department aware of any "trades" or changes in Duty Judge assignment.

In addition to being "on call", the Duty Judge shall be responsible for first appearances in criminal cases.

The Duty Judge shall additionally be responsible for any and all court proceedings which require attention in the absence of the Judge to which the matter is normally assigned. This shall specifically include limited action proceedings involving landlord/tenant relations.
