This is to notify you that, **effective June 1, 2022**, ZOOM invitations will no longer be e-mailed out. Attorneys, parties, witnesses, and interested parties may still participate in a hearing using Zoom, but an e-mailed invitation is no longer needed. All guidelines concerning ZOOM appearances currently in place by an individual judge remain. This only affects the way in which you will join a ZOOM meeting.

Judges who hear cases on a regular basis in Marion and Morris counties each have their own ZOOM meeting ID and utilize the same ID for all hearings. Passcodes are not required.

Those Judges and IDs are:

Chief Judge Benjamin J. Sexton – ZOOM Meeting ID 646 694 5873

District Judge Susan C. Robson – ZOOM Meeting ID 299 290 8566

District Judge Courtney D. Boehm – ZOOM Meeting ID 459 437 2998

District Judge Keith L. Collett – ZOOM Meeting ID 362 121 8443

District Magistrate Judge Laura E. Viar – ZOOM Meeting ID 642 522 8725

You do not need a ZOOM invitation or a link to participate in a hearing. Open ZOOM on your device, click on “Join A Meeting” and then type the meeting ID for whichever Judge who is hearing your case. You may always call our office if you want to double-check who the Judge will be.
